SUBJECT: TOKYO MEDIA REACTION - IRAN

¶1. LEAD STORIES: Top stories on Monday morning included the ceremony at Nagasaki on Sunday to commemorate the 64th anniversary of the atomic bombing.

¶2. "Iranian President Should Clear up International Doubts about Nuclear Development" The Liberal Tokyo Shimbun editorialized (8/10): "The greatest concern about Iran is the course of its nuclear development. The Iranian government always insists that 'its nuclear development is for peaceful purposes.' However, the international community is increasingly doubtful [of Tehran's intentions]. Iran's new administration should clear up such doubts. It should accept inspections by the IAEA to prove that its nuclear-related materials will not be used for military purposes."
